

LIBRAS Summary Report Serials Special Interest Group

The Serials SIG met in May with the following schools represented:

- Elmhurst College
- North Park University
- Trinity Christian College
- Concordia University
- St. Xavier University
- Benedictine University
- Trinity International University
- Guest from the Metropolitan Library System, Kate Boyle

Topic discussed included:

- New products for which ILCISO has negotiated contracts including
 - Link Resolver
 - Federated search engines
 - Their impact on our individual libraries
- Serials issues related to Voyager
- LIBRAS communication via:
 - Listserv
 - Surveys
 - Email addresses will be readily available to one another, possibly through the LIBRAS website

Future business for the Serial SIG:

- October 2005 meeting to be held at St. Xavier
- 2006 meeting to be held at Benedictine
- Ideal meeting times and subjects (including the Link Resolver) were discussed
- Reminder to cast ballots for LIBRAS officers
